SUBJECT: Duplicate Coverage Under Civil Service
 Retirement and Social Security Acts

"Pursuant to the request made in a Senior Review Committee meeting, the undersigned made arrangements to discuss the matter with Mr. Warren Irons, Chief, Retirement Division, Civil Service Commission.

"At a meeting on Tuesday, 17 July 51, between Mr. Warren Irons, [REDACTED] Office of the General Counsel, and Mr. George Meloon, Personnel, the many questions relative to dual contribution and possible benefits under the Civil Service Retirement System and Social Security Act were discussed.

"Mr. Irons offered an unofficial opinion that unless an exceptionally large number of cases existed in the dual coverage category, no effort should be made to explain these cases to the CSC, Bureau of Internal Revenue, or Social Security Administration. He explained that as long as the Agency did not compensate the individuals concerned for the one and one-half per cent employees' contribution under the Social Security System, no real harm would be done."
